

Greetings friends!

At this time of the year, we find ourselves reflecting on what 2025 has brought our way. We also begin contemplating the coming year and what it might mean for the ministry of A Safe Place.

Looking back, it was amazing to find that we've been able to serve over 2,100 people since the start of the year, up 30% from last year when we served 1,400. We are so grateful for all God has done in the lives of people impacted by this ministry, and for how he has used our many volunteers in the process during the past year. We have seen so often people being moved by the goodness of the Lord and we have seen many lives transformed both spiritually and physically.

We wish to express our gratitude to you for your support of this work – *His* work – through prayer, financial support, donations of much needed supplies, connections, and words of encouragement. The needs of A Safe Place have grown significantly since the Drop-In Center came into existence last year, as have the challenges. The Drop-In Center has become known within the homeless community and many more people in need continue to come through our doors for help and encouragement. With that, the need for food, supplies and other goods has grown, along with the need for the additional funds to pay for rent and utilities since the year one donor funding of the facility recently ended.

As a Board, we are grateful for each new challenge that came our way, and for the way God used those to direct us, to stretch us, to strengthen our faith, and how He met our needs every step of the way. He is so good, yet sometimes we find that we need reminding...

We look forward to what God has in store for A Safe Place and for each person we serve in the coming season. We appreciate your prayers for this ministry, the board members and the volunteers as we continue to seek His direction for the operations and in how to best serve the needs of His children.

May God bless you richly during the upcoming Thanksgiving and Christmas seasons as we turn our attention to all He has given and continues to provide.

The Board of A Safe Place (Mike, Neal, Suzanne, Rick, and Donna)

A Safe Place of Prescott Valley is a **qualified charitable organization** (QCO #22459).
Donations are eligible for the Arizona Tax Credit.

Keep us in mind as you make year-end charitable contributions.
